

Motivating Your Team

According to the dictionary "Motivate" means:

- to provide (someone) with a motive for doing something
synonyms: prompt, drive, move, inspire, stimulate, influence, activate, impel, push, propel
- stimulate (someone's) interest in or enthusiasm for doing something
synonyms: inspire, stimulate, encourage, excite, inspirit, incentivize

Motivation is a needed commodity when it comes to the long-term success of any team.

How motivated is your team?

If you were to rate the following between 1-10 (10 being positively awesome!), how would you assess the members of your team?

Energy _____

Focus _____

Attitude _____

Creativity _____

Balance _____

Three Principles to help your team stay motivated:

1. Talk WITH them

2. FOCUS on time

Time _____

Time to _____

Time to _____

3. Picture the FUTURE

"I press on toward the goal to win the prize for which God has called me..." Phil 3:14

"Nothing motivates your team more than trust."

These three principles will help any team stay the course with **energy** and **enthusiasm!**
